

OUR WHEELCHAIRS

GEN_3

A foldable version of our GEN_2 wheelchair. Foldable design allows for easy transport and storage.

GEN_2

Offers a more customized fit. Can be fully adjusted; comes in 4 different sizes; is often the wheelchair offered to our younger, smaller recipients.

GEN_1 (now retired)

A simple, cost-effective mobility solution; the original iconic design. Made of plastic resin, metal tubing, and mountain bike tires.
